

MADE IN EUROPE

ECO-FRIENDLY, FAIR TRADE BAGS—MADE IN EUROPE, GRS CERTIFIED FOR A BETTER WORLD.

High-Quality Production in Istanbul: We manufacture high-quality bags with premium, eco-friendly materials like rPET polyester, PU, PVC, EVA, neoprene, and canvas.

Certified Sustainability: Our production is GRS (Global Recycle Standard) certified, demonstrating our dedication to environmentally responsible manufacturing practices.

Leading bag supplier for Turkey and Europe: We are one of the largest bag suppliers for well-known retailers in Turkey and have been a reliable bag supplier for many European customers for years.

Strategic Location for Fast Shipping: Our location in Istanbul allows for quick shipments across Europe, **reducing carbon emissions** and ensuring prompt delivery.

EU Compliance and Duty-Free Advantage: All components are manufactured in Turkey according to EU standards, with no customs duty on Turkish-made goods—saving you costs and simplifying imports.

Dedicated EU Office: In 2020, we opened our European office in Berlin to enhance support for our EU customers and ensure smooth, seamless transactions within the EU.

Responsive and Efficient Service: Our dynamic structure enables us to respond quickly to your needs, making us an ideal partner for **short-term bag projects**.
